Dear Friends,

It's been a milestone year at Kure It Cancer Research. As we celebrate our 15-year anniversary and over \$13.3 million dollars raised in "seed money" for programs at Comprehensive Cancer Centers, our mission to cure cancer is as strong as ever. Since our inception in 2007, Kure It works closely with our medical advisory board to find and fund cutting edge cancer research throughout the United States and across the globe.

We all are impacted by cancer. However, the statistics around pediatric cancers are particularly daunting. Although cancer is the number 1 cause of disease related death in children, currently only 4% of federal cancer research funds are granted to childhood cancers. We believe every cancer deserves a cure; the Let's Save Lives Gala focuses on the most vulnerable in our community, children. It is critical that we support life-saving therapies designed to treat and cure kids with cancer. These improved treatments are possible because of donors like you.

Join us at **Kure It's Let's Save Lives Gala "Cures for Kids"** on **Saturday, November 5th, 2022**, at the **City National Grove of Anaheim**. The Gala will highlight our dedication to support children faced with cancer and the impact we can make to help cure it.

We invite you to become a Sponsor for the 2022 Let's Save Lives Gala. Please reach out to Jackie Kurtz at 949-748-5916 or jackie@kureit.org for more information.

Together We Can Cure Childhood Cancer!

Todd Perry
Chairman of the Board,
Kure It Cancer Research

KURE IT CANCER RESEARCH = SAVING LIVES

WHAT IS KURE IT?

In 1998, Barry Hoeven, founder of Westport Properties, was diagnosed with kidney cancer. As Barry battled this disease, he recognized the lack of funding for research to cure kidney cancer and many other underfunded cancers.

To help increase needed funding, he founded the non-profit Kure It Cancer Research. Kure It's mission is to be the leader in granting funds to scientists researching underfunded cancers. Researchers receiving Kure It funds use this "seed money" to explore innovative research projects at top Comprehensive Cancer Centers.

In 2022 Kure It is celebrating it's 15 Year Anniversary, having raised over \$13.2 Million and supporting 45 research projects across the US and abroad.

1 out of 3
Americans will
develop cancer

Every minute 1 person in
the US dies from cancer

Cancer is the leading
cause of disease-related
death in children in the US

90% of cancers are
underfunded

Cancer Touches each on of us. United, we can save lives!
